## the best in black & white

Need an executive chair that works as hard as you do? The Metro features a modern design with its breathable upholstery, synchronized tilting mechanism, and thin profile. This chair is designed with you in mind. In addition to the executive Metro Chair, this sleek look has been incorporated into a guest chair that once again offers comfort and function.

### Features:

- Synchronised tilting mechanism with weight specific tension control
- Mirror finish stainless steel frame, base and armrests
- Fully sprung seat base for outstanding comfort and support
- Refined upholstery with detailed stitching
- Complete family - highback, midback and visitor
